

## PURPOSE STATEMENTS

- \* To be a multi-faceted catalyst for change, appreciating others, raising issues, and personally being there.
- \* To freely tap into deep levels of being and take a great risk that allows me to teach others and thereby experience contentment and satisfaction.
- \* To ignite the flowing access by healing and being understood, having fun, and experiencing satisfaction beyond circumstances
- \* To connect with myself and others, surrounded by love, to create freedom and joy
- \* To be poised and confident while stepping outside my comfort zone, planning a life for myself and others, as we accomplish our goals.
- \* To be totally enmeshed in a life filled with joy as I lovingly interact with others to experience the thrill of life.
- \* To have a BLAST, living an amazing and carefree life, giving encouragement and support to myself and others.
- \* To believe in my own genius as the key to setting the stage, discovering and sharing with myself and others, the mutual creativity and connectedness surrounded by fun and joy.
- \* To help myself and others recognize choices that will make a positive difference.
